

STL AVIATORS

Marketing Package

Club Mission & Goals

“To be a non-profit club which provides and low-cost opportunity for pilots to fly and socialize”

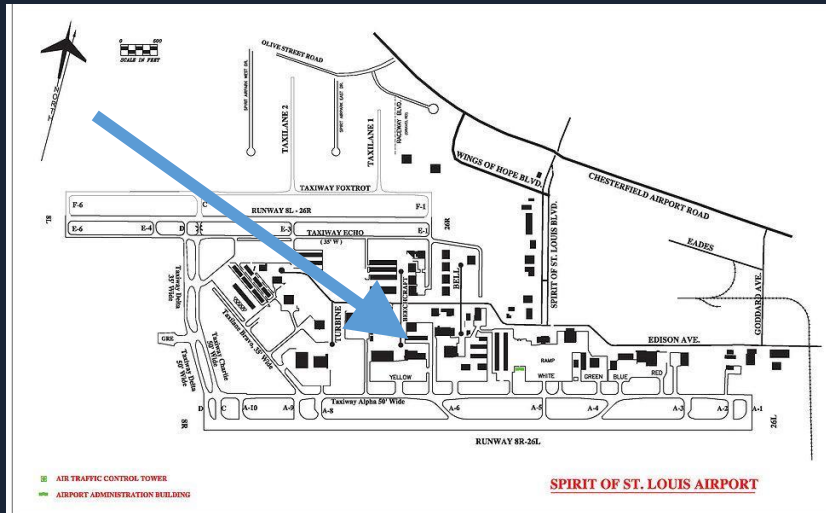

- Offer pilots an initial low cost (4) seat single engine land aircraft with a pilot-to-aircraft ratio of no more than 14 pilots to one aircraft.
- Offer pilots a means of connecting socially with monthly member meetings and quarterly social gatherings.
- Offer all members a voice in the decisions made for all aspects of operation

Our Locations – MillionAir @ KSUS

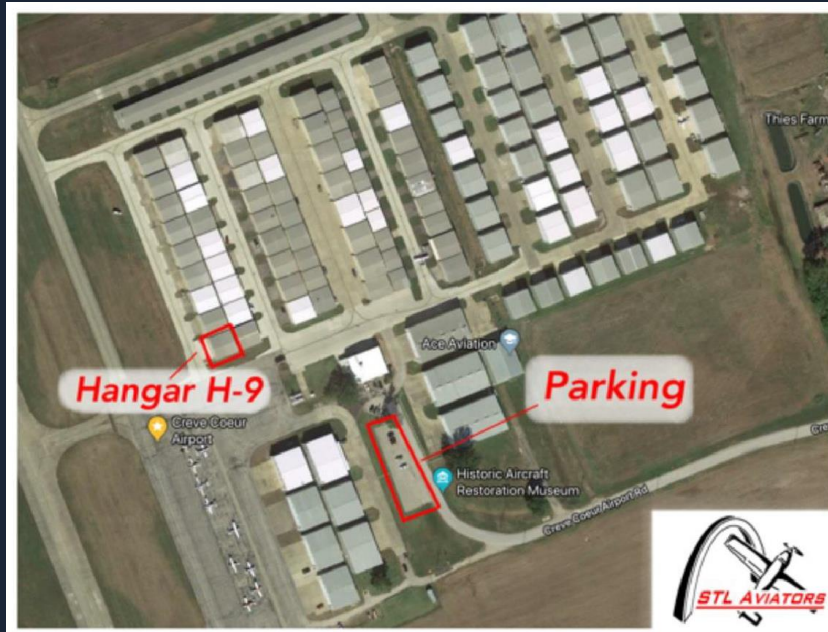

- One of the premiere FBOs in the St Louis area
- Open 24/7 with outstanding customer service
- Concierge service – you never have to pull the plane out or put it away yourself
- Line crew will fill the tanks after you fly and bill the club

Our Locations – Creve Coeur - 1H0

- Two Separate Hangars (H-9 and F-7)
- Fuel/line service during business hours and weekends
- Non towered airport
- Dry rate location

Our Aircraft – N62475

Based at Spirit of St. Louis Airport, located at MillionAir, our 1981 Cessna 172P is a both a fun plane and a great trainer. This is a super easy plane to fly for both newer and seasoned pilots alike. This aircraft is available as a trainer. Please note, STL Aviators is a nonprofit flight club, not a flight school so please feel free to bring your own CFI for training.

Online Flight Scheduling

All online flight scheduling is done via FlightCircle

- Calendar view scheduling
- Squawk notifications
- Direct checking account payments with no fees
- Credit card payment processing with standard fees
- Ledger and accounting reports

The screenshot displays the FlightCircle web interface for scheduling flights on Saturday, Jan 30, 2021. The interface includes a navigation bar with 'Manage', 'Schedule', 'Reports', and 'Messages' options. A search bar and user profile 'Joe C.' are also visible. The main area shows a calendar grid with time slots from 07:00 to 20:00. A list of aircraft and pilots is on the left, and flight blocks are placed on the calendar grid. The aircraft list includes N62475-C172P, N9093K-ArcherII Door code Q..., N8332Y-Arrow, N8318Y-ArcherII Door code Q..., N2239G-Archer II Door Code..., Bruno Stopka, Paul Getman-Club CFI MEI, William Kientz-Club CFI, Dave Carroll-Club CFI, Ben Leflon-Club CFI, Nathan Hinds, Lindsey Saunders, Hans Brosbol, and Brett Whitcomb-Club CFI. The flight blocks on the calendar show various pilots and their flight times, such as David Kincode-Club Treasurer from 12:30-17:00 and Chris Filppo N9093K from 15:00-17:00.
